GMS Industrial Supply, Inc., a SBA certified, Small Woman and Minority (SWaM) company, has been a major supplier of green cleaning and maintenance products to the Department of Defense (DoD) for over 25 years. With a strong emphasis on professional on site service nationally, GMS utilizes efficient, high performance, state of the art products in green and USDA Biobased technology. GMS has support and manufacturing facilities in Virginia Beach, VA, Willow City, TX and San Diego, CA with trained technicians in the US (including Alaska and Hawaii), Korea, Europe, and the Middle East. These qualities and the strong appeal for our products and service has helped GMS gain entry to, and grow, within the other branches of the United States DoD, and in doing so, we have modified our product line to focus on each need for each branch.

Our products continuously uphold the strict budgetary standards of the DoD by offering a product line that is not only extremely effective utilizing the very latest in green and sustainable technology, is affordable, while reducing waste streams in accordance with new DoD directives. Due to many years of support within the DoD, GMS has been awarded dozens of NSNs and long term contracts for our most popular items, many of which are stocked at DLA depots globally.

In 2021, GMS Industrial Supply acquired American Patriot Sales and Services creating an offering with nearly 200 NSNs.
