# Ship Shape! Cannonballs Training & Instruction Guide Revolutionizing the way cleaning is done!

## Step by Step...

Always wear dry gloves before handling Cannonballs

### Step 1

Add 1 SSCB to an empty Quart Bottle  
Add 4 SSCB to an empty Gallon Bottle  
Add 8 SSCB to an empty Mop Bucket  
Add 20 SSCB (1 Jar) for a 5 Gallon Can  
Add 2 Tubs (200 SSCB) for a 55 Gallon Drum  
Add 10 Tubs (1,000 SSCB) in order to create enough solution to fill a whole 275 gallon tote!

### Step 2

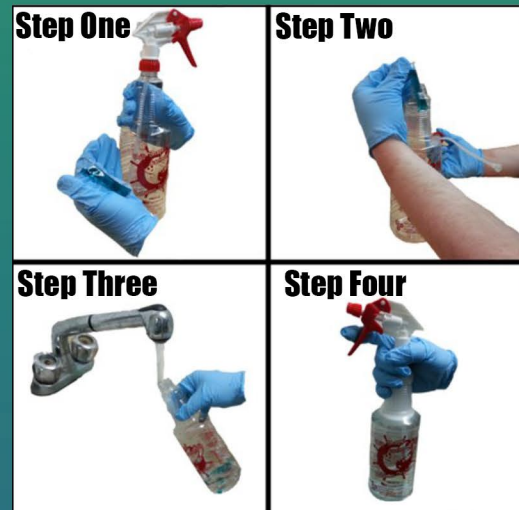

Fill bottle or bucket with water and let the Cannonballs dissolve

### Step 3

Affix the trigger sprayer (if using quarts)

### Step 4

You are ready for a Green Oger-Sized cleaning!
